SATORI FILES ANNUAL FINANCIAL STATEMENTS

Toronto, Ontario. May 1, 2012: Satori Resources Inc. (TSXV:BUD) ("Satori" or the "Company") announces that it has filed its 2011 annual financial statements and management's discussion and analysis. Both are available under the Company's profile on SEDAR at www.sedar.com and on the Company's website at www.SatoriResources.ca

Satori further announces that it closed a subsequent tranche of the flow-through private placement offering that was first announced on February 21, 2012. The Company ultimately amended the terms of the offering, in order that each subscriber received a flow-through unit at a price of \$0.08 per unit, each unit being comprised of one flow-through common share and one half of one non-flow-through purchase warrant, each full warrant being exercisable at \$0.13 per share for a period of two years from closing. Finders' fees representing ten percent in cash and the issuance of a number of finders' warrants equal to ten percent of the units placed was paid to eligible finders, entitling the finder to acquire one non-flow-through common share of the Company at a price of \$0.10 for two years.

On March 27, 2012, the Company announced the closing of the first tranche of the offering, issuing 625,000 flow-through units for gross proceeds of \$50,000. Satori subsequently issued an additional 125,000 flow-through units for gross proceeds of \$10,000 on the same terms. In aggregate, the Company issued 750,000 flow-through units for gross proceeds of \$60,000 and paid an aggregate of \$2,000 in finders' fees (not \$2,800 as previously announced) and issued 25,000 finders' warrants.
